Academic study of anti-cult movement | https://www.taylorfrancis.com/chapters/oa-mono/10.4324/9780203642375-11/anti-cult-movement-response-elisabeth-arweck | Academic context.

Citation audit note

This register compiles identifiable linked sources from the supplied PDF and the conversation record available in this session. It is not proof that each linked page was opened or fully examined; some were recommended as leads. Some source citations from earlier chat exports do not retain their destination URLs. Every URL should be checked for availability, date, and relevance before publication. No subscription-only NYPL article or sealed law-enforcement file is represented as retrieved.
